

# It's the Right time to say I'm in! Timmins Commemorative Watch

The place we now proudly call Timmins is as old as time and as new as the glint of gold dust in the morning sun. The first peoples to settle in the Timmins area almost 7000 years BC were nomadic tribes, the Shield Archaic Cultures. This remarkable human habitation was followed in the 17th century by explorers and traders developing a route that connected the Abitibi River to the Mattagami River and passed directly through present-day Timmins; one of the largest municipalities in Canada.

And then in 1909 two prospectors discovered the “Golden Staircase”, a fantastically rich vein of gold nestled in the Canadian Shield. Within days the Porcupine Gold Rush began and the rest has become living history. Hollinger. Big Dome. McIntyre. The names of the great mines echo through the years and remind of us of the real virtues of initiative, hard work and perseverance which motivate the citizens of Timmins to this very day.

Timmins is a city that faces all challenges and overcomes them with grit and determination. It has become a world centre in mine development with experts in the fields of resource management, large scale processes, engineering, extraction and remediation. With the Algoma University campus and a new French learning centre at Collège Boréal, Timmins is a renowned centre of specialised knowledge with world class educational facilities in the resource industry, in the environment and in recreational sciences as well as the traditional arts and sciences.

Timmins is also a truly unique place where you can belong. Whether you run a business, are raising a family, or are training to be an Olympic class skier, Timmins is a place where you have fantastic resources and the freedom and opportunity to realise them to the fullest.

Now is the time to celebrate Timmins and the many people who make it great and it is only fitting to show our pride in a distinctive yet timely way. Accordingly, the City of Timmins has commissioned one of Canada's leading watch designers Time is Ticking Inc., to issue a truly remarkable limited edition commemorative timepiece which will reflect the proud heritage and bold future of one of the Canada's finest communities.

The City of Timmins commemorative watch is being offered for only \$75.00 (plus applicable taxes, shipping and handling) which is far below its actual retail value of approximately \$200.00. Each watch is made with Seiko movements, 24K gold plating on its face, a curved crystal, an engraved case back and a designer Speidel leather band offered in black, blue or red. The watch will be delivered in an embossed velveteen collector's box. Part of the proceeds of the watch will be used by the City Of Timmins for a very special community initiative.

'I'm in' captures the pride that the people of Timmins share in their remarkable community. It is really the right time to be a part of that feeling. Timmins. Big City. Big Heart. J'y tiens. ∇dU. I'm in.

Size approximate.  
Suitable for men and ladies.
