

# Canadian Tire – Simply The Best

## It's Time to Celebrate our 90<sup>th</sup> and Give More Kids a Sporting Chance!

On September 15, 1922, J.W. Billes and A.J. Billes invested their combined savings in a small store – The Hamilton Tire and Garage Ltd. – located in downtown Toronto.

Ninety years later, Canadian Tire has grown to span a continent with nearly five hundred stores and 60,000 employees.

As Canada's largest retailer, 90 percent of all Canadians live within a 15-minute drive of a Canadian Tire store.

In 2005, Canadian Tire launched Jumpstart Charities, a national charitable program that helps financially disadvantaged kids between the ages of four and eighteen to participate in organized sport and recreation by covering registration, equipment and/or transportation costs. Since its inception Canadian Tire Jumpstart, working closely with its partners, has given close to half a million kids the chance to play sports.

After 90 years, there is much to be thankful for. But, there is also much we can do.

To commemorate our 90th anniversary and raise money for Jumpstart, Canadian Tire Corporation has proudly commissioned one of Canada's leading watch designers, Time is Ticking Inc., to create a truly remarkable timepiece that will help celebrate this milestone and provide a way to give back to Canadian communities.

The limited edition watch is being offered for only \$90 (plus applicable taxes, shipping and handling) far below its actual value of approximately \$200. A significant portion of each sale will be donated to Jumpstart.

Let us take the time to celebrate Canadian Tire's anniversary while helping give the kids a sporting chance!
